FREE PLUGIN + SETUP GUIDE

15 Claude Cowork Skills I Can't Live Without

These are the 15 skills from my video. One plugin, one install, all 15 ready to go. I use these every single day to run my business.

HOW TO INSTALL (60 SECONDS)

1. Download the Claude Desktop app (**claude.ai/download**)
2. Open Claude Desktop and switch to **Cowork** mode
3. Click **Customize** in the sidebar
4. Click **Plugins** then **Upload Plugin**
5. Select **15-cowork-skills.zip** (do NOT unzip it)
6. All 15 skills activate instantly

PRO TIP: MAKE THESE YOURS

These skills work out of the box, but they work 10x better customized to you. Find any skill in Customize, click the three dots, select "Edit with Claude," and tell it your niche, preferences, and tone.
